1.0 BoxSet Equipment

The equipment listed in illustration “1.0 BoxSet Equipment” above encompasses all BoxSet equipment. Specific equipment that may be shipped to a Customer is dependent upon the specific BoxSet ordered by the Customer for use with the service. This list may be updated from time-to-time by Bandwidth.com on an as required basis and as equipment offerings change. Customer understands that said equipment is bundled with ordered BoxSet service and governed pursuant to the applicable BoxSet Service Agreement, available for viewing at www.bandwidth.com/content/legal.
